FOREWORD

What is a Galahi? A Galahi is many things. It is the coke and candy sales, the Monday nights, the deadlines, the work, the thought. Then, too, it is the fun, the jokes, the pranks.

But mostly the Galahi is a record. A record of the highlights of the school year from the opening of school and the kick-off of the annual magazine campaign right through baccalaureate and graduation. In this record we of the Galahi staff have tried to capture all of the rewarding events seen and heard through "The Eyes and Ears of the Wildcat."

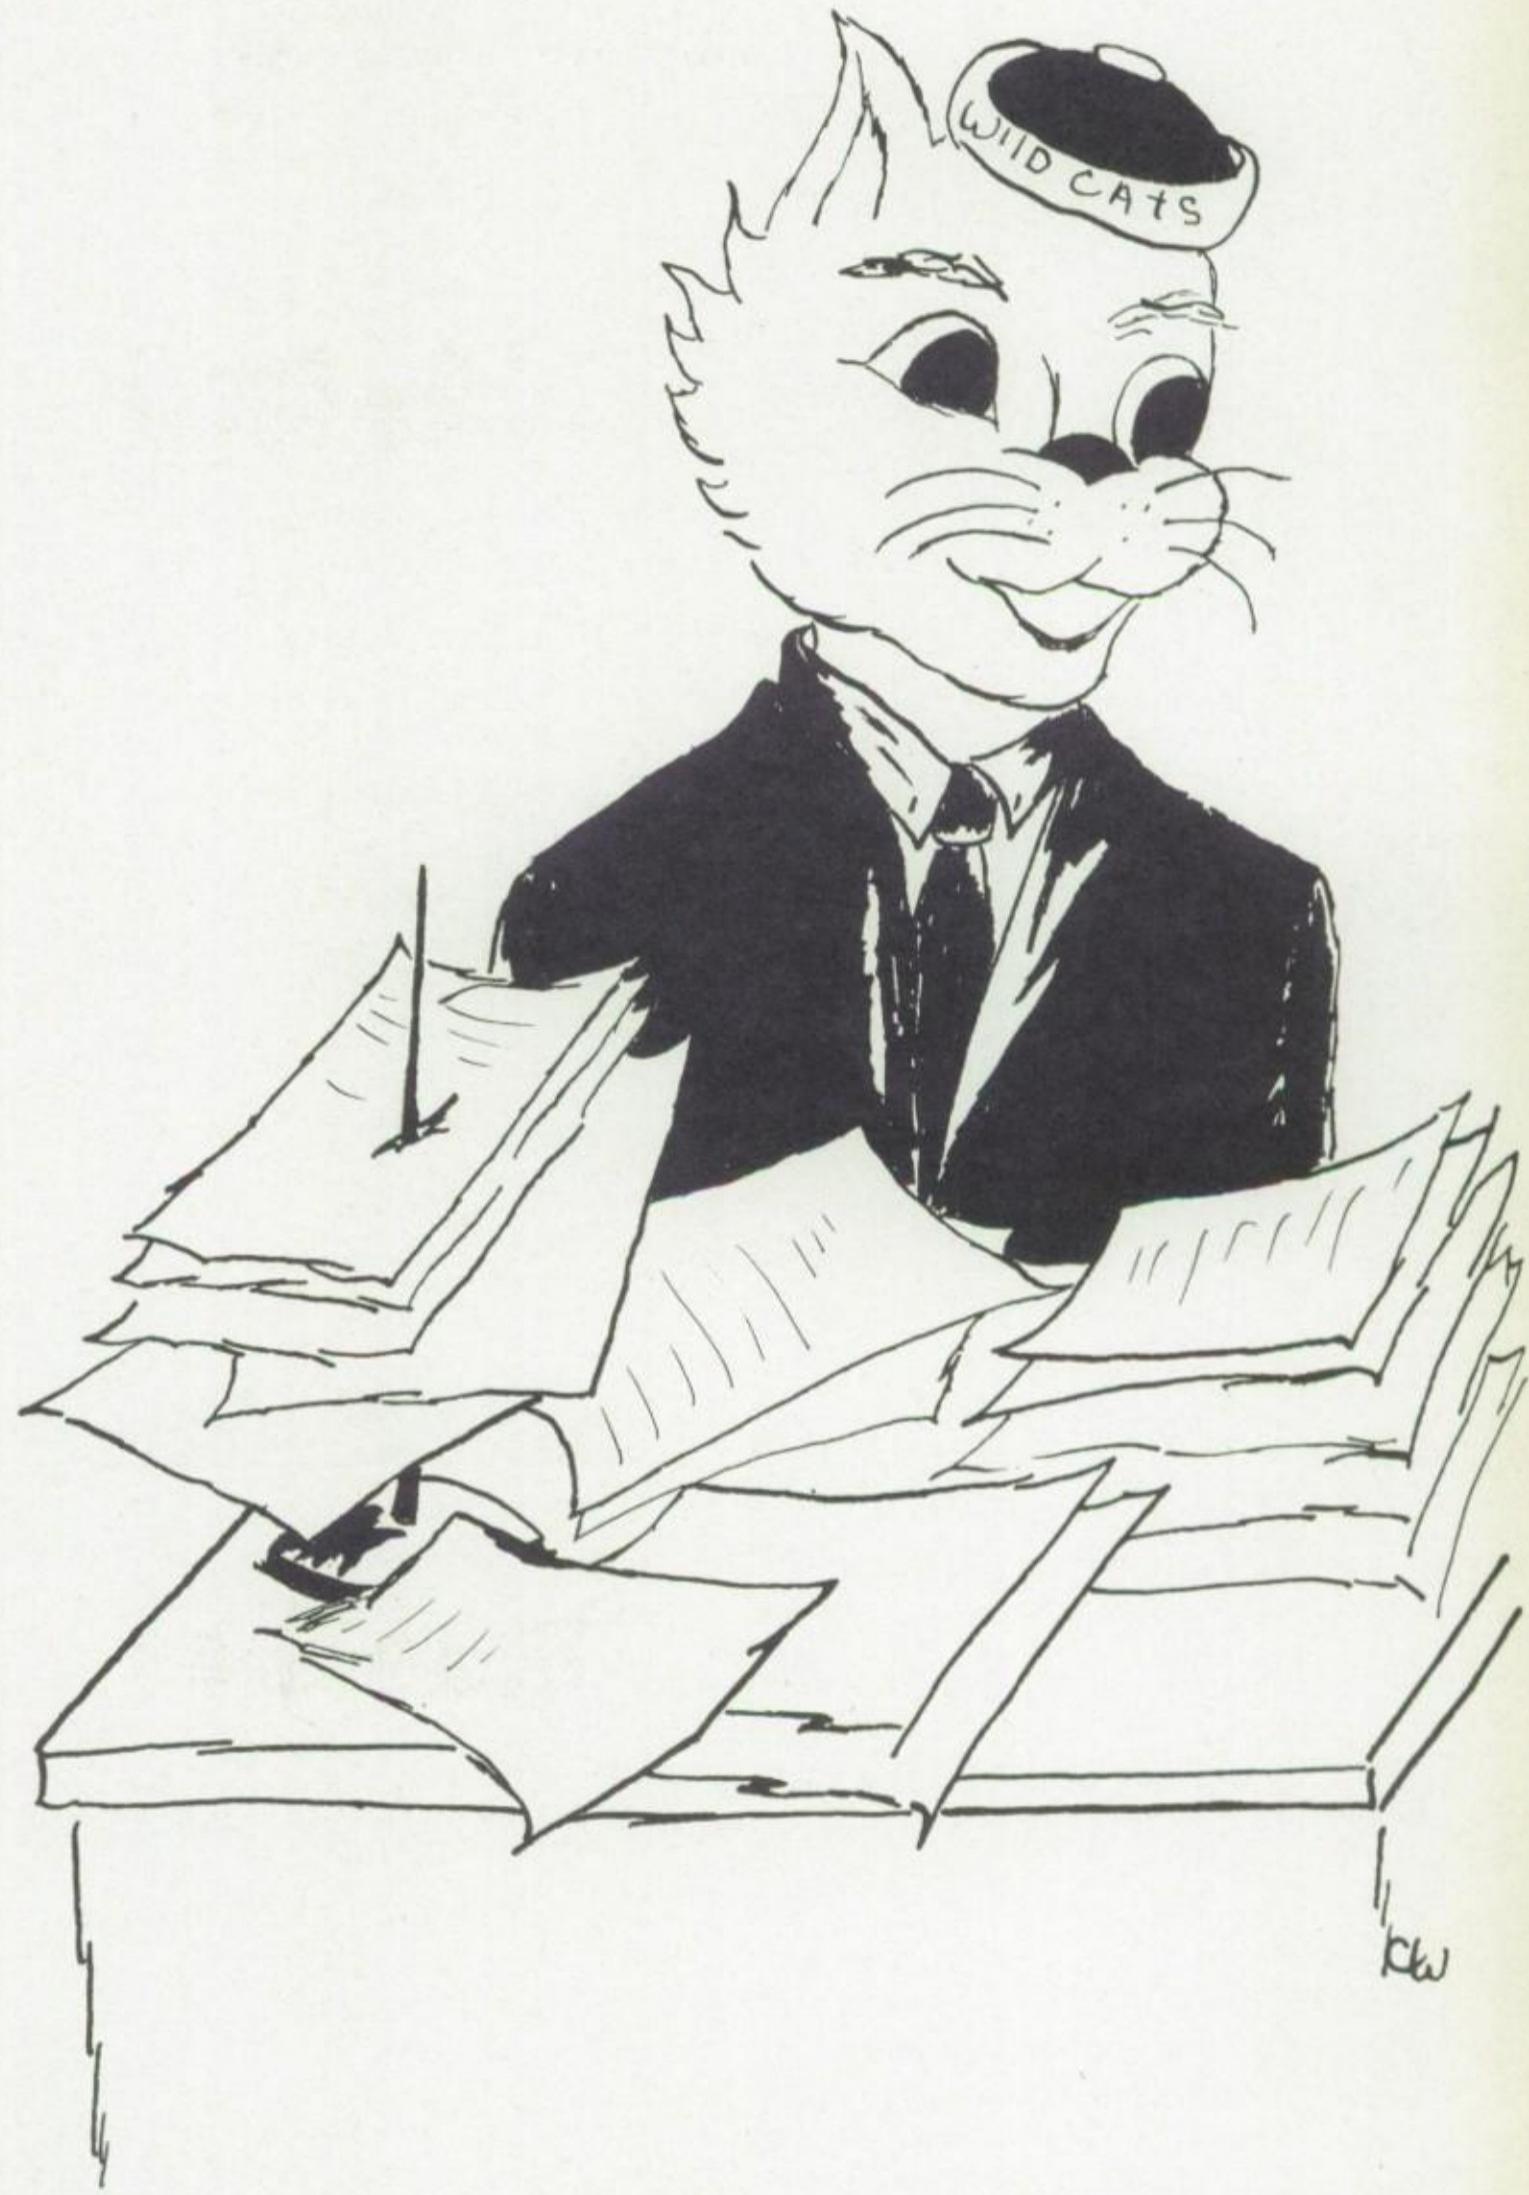

DEDICATION

We, the Class of 1963, hereby dedicate this yearbook to our sponsor, Miss Zelma Peard. Miss Peard has given unfailingly of her energies during the past four years to prepare us for the years to come when we will no longer be students of Galva High School. She has made "The Way of the Wildcat" a worthwhile way by keeping us from getting discouraged, by making helpful suggestions, and by encouraging us to make our own decisions. With this dedication we hope to show our appreciation for all that Miss Peard has done for us.

SUPERINTENDENT

"Through the Eyes and Ears of the Wildcat" we hope will be developed a citizenry of enlightened people. People interested in national and world events, in the arts and finer things of life, in wholesome recreation, in churches, schools and other social institutions.

"Through the Eyes of the Wildcat" we trust will emerge a generation of people dedicated to the great causes of mankind--genuine concern for the welfare of others--peace--world understanding--harmony between races and classes--solutions to the problems of labor and capital--profound appreciation of democracy and a deep respect for the democratic processes.

These causes, Galva High Students, are among the most important in the world. Permit knowledge concerning these matters to enter "Through the Eyes and Ears of the Wildcat" and educate these same senses to forever manifest the judicious views of a mature and wise citizen.

MILO WATSON, M.A.

A. E. HECK, M.A.

PRINCIPAL

Since education has assumed a position of increased importance in the future of each citizen, the individual's high school years take on added significance. In a large measure our high school years and how we spend them pretty much determine the degree of success in our adult life.

And so it is "Through the Eyes and Ears of the Wildcat" that our young people build the foundation for their adult life. If the Wildcat is endowed with wisdom, integrity, sincerity, and understanding, we, who experience life through the eyes and ears of said Wildcat, can expect to become adults with these positive characteristics. We hope that each of our graduating seniors will have experienced those things which will make them better men and women for tomorrow's world.

BOARD OF EDUCATION

We the members of the Galahi Staff wish to express our appreciation for the work which the Board of Education has accomplished under the direction of Dr. Eckberg. The board has put forth a great deal of time and effort supplementing the "Eyes and Ears of the Wildcat" with its sixty-five member Citizens Survey Committee. The committee has made many innovations which will better our school.

Mr. Watson, Superintendent; Mr. Jones, Mr. Mahaffey, Mr. LaMaster, Dr. Eckberg, President; Dr. Burcky, Secretary; Mr. Lapan, Mr. Laub, Mrs. Dukey, Recording Secretary.

OFFICE SECRETARY

This is our loyal office secretary--Mrs. Thompson--who works so diligently in spite of our many intrusions.

BUS DRIVERS

Pictured here are the people who do such a good job of getting many students to school every day. They are, from left to right, Mr. Chilberg, Mrs. Gustafson, Mr. Lindstrom, Mrs. Hamerstrand, Mr. Olson, Mr. Nelson, Mr. Doleslayer, Mr. Anderson, and Mr. Nordstrom. Missing: Mr. Arie, Mr. Morgan, and Mrs. Gonzales.

CUSTODIANS

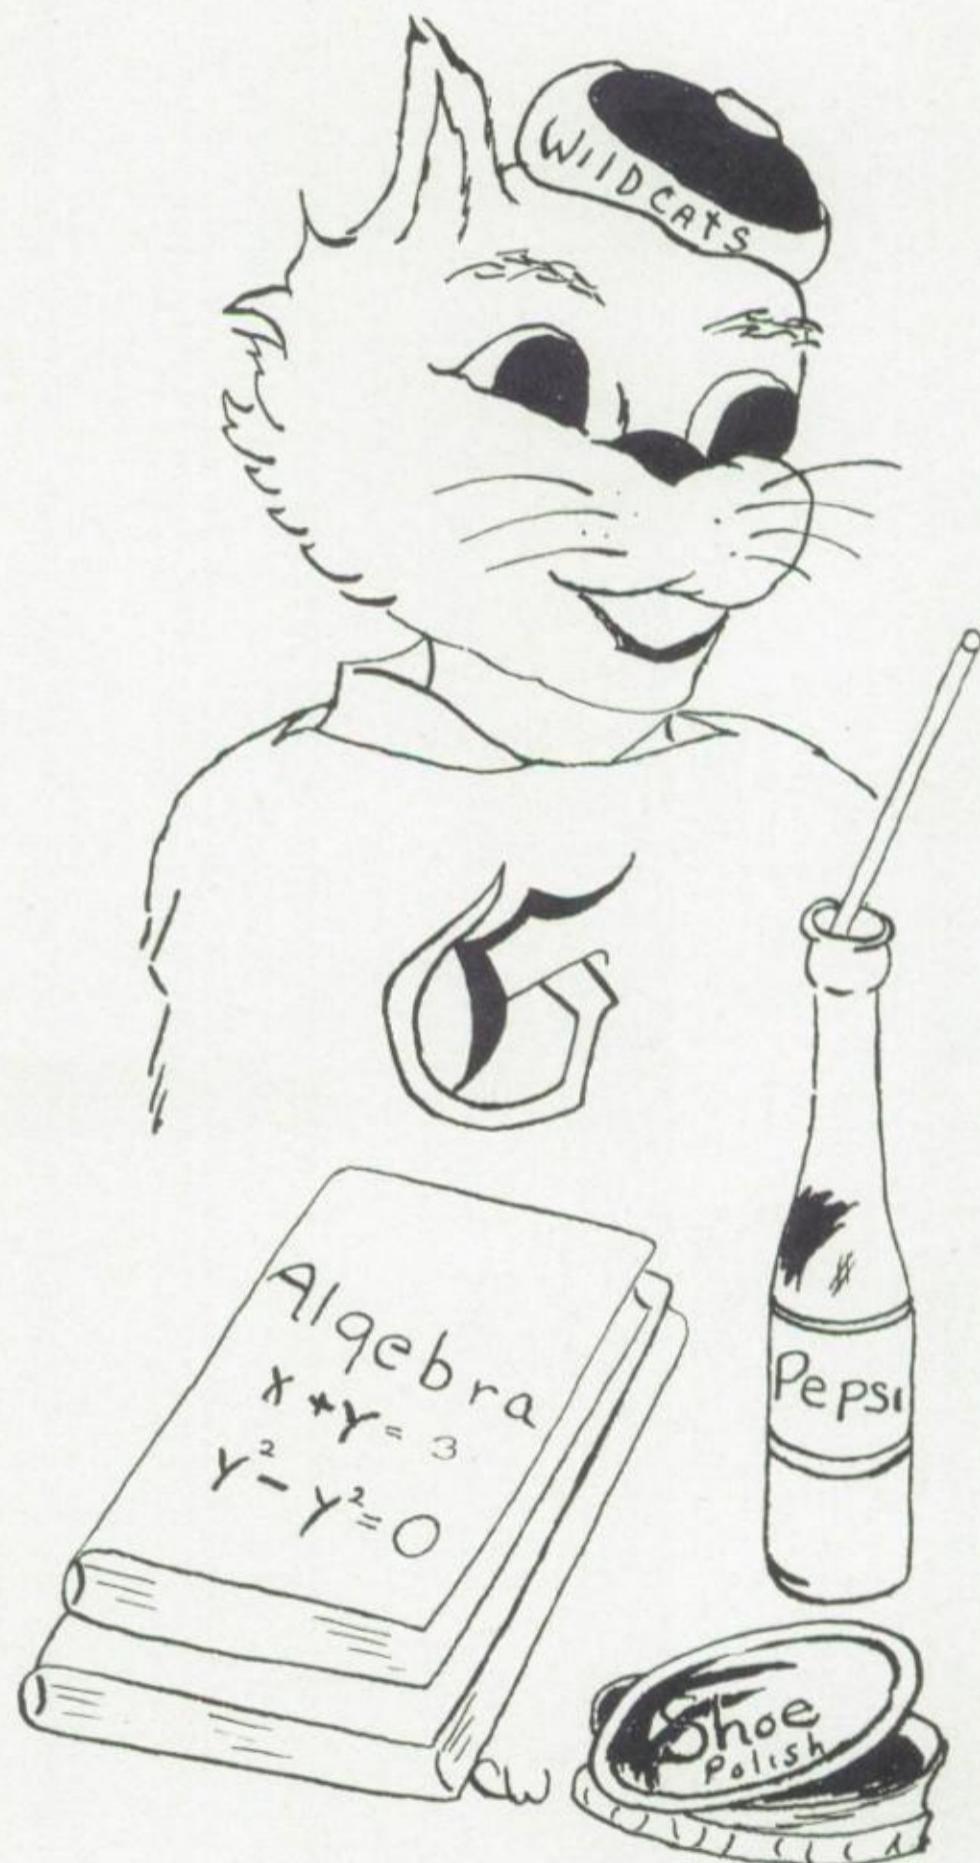

These are the high school custodians: the people whom we keep so busy every day keeping our school so bright and shiny. From left to right, Mr. Johnston, Miss White, and Mr. Lamb.

COOKS

These are the Mistresses of Cuisine at Galva High School who daily prepare the fine meals that we students enjoy. From left to right, Mrs. Wheelhouse, Mrs. Hultquist, Mrs. Swanson, Mrs. Falk, Mrs. Ericson, and Mrs. Hansen.

Kurt Flueckiger

Through the co-operation of the American Field Service, this year Galva High School opened its doors to our first foreign exchange student, Kurt Flueckiger.

Kurt arrived from Switzerland in the fall of 1962 and became the "son" of Dr. and Mrs. P. B. Meerdink. Through our association with Kurt, the door of understanding has been opened between the Swiss and the American people.

FOOTBALL VARSITY

The varsity squad enjoyed a very successful season this year. A team composed of many seniors ground out a record of seven wins and two losses which placed Galva third in an exceptionally well-balanced conference. There were many outstanding players--four seniors were all-conference selections. We were proud of our team and the showing they made on the gridiron this year.

FOOTBALL B-SQUAD

Galva fielded a fine Fresh-Soph team this year. The squad compiled an overall record of seven wins and one loss. Undefeated in conference competition, this team is certain to produce many fine ballplayers for the varsity squads of future years.

CROSS COUNTRY SQUAD

In only its second season of Cross Country Galva has had a very successful squad. The school has enlarged and improved its program this year with a schedule of eleven meets. Galva had a record of 6 wins and 2 losses in dual and triangular meets. In three larger meets Galva fared as follows: 2nd in a field of 7 schools at the Kewanee Invitation; 7th in a field of 23 schools at the Sterling Invitational; and 9th in a field of 20 schools in the District meet at Peoria.

With the promising underclassmen on the squad Galva's Cross Country team should be strong in the next few years.

VARSITY

The best in Galva's history--that's the way to describe our '62-'63 Wildcat cagers. They compiled a season record of twenty-six wins and one loss, the best record in the state!

Good coaching plus much sacrifice and hard work by the players made this team the best Galva has ever seen. Early in the season many people thought luck to be the factor that kept us undefeated, but as the season wore on, we became recognized as a basketball power.

Our unblemished 18 - 0 conference record brought Galva the Blackhawk basketball crown. We carried a mighty 24 - 0 season record with us into the state tournament and we scored over R. M. A. and Yorkwood in the playoffs. With a perfect 26 - 0 we confidently met Aledo for the Regional championship, but unfortunately the Green Dragons proved to be our downfall. Even though defeated, our Wildcats became known all over Illinois for their outstanding record.

B-SQUAD

FRONT ROW: H. Hall, M. Manning, M. Grieve. SECOND ROW: S. Griffin, S. Hall, T. Raley, R. Shields, J. Smith, Coach Hauptman.

Under Coach Andrew Hauptman our B team compiled a record of 13-5. Our Freshman team, although not having a winning season, gained much valuable experience. If these boys apply themselves in the future, we Wildcat fans can expect some outstanding varsity basketball in the future.

Miller's 436 Points Tops Cat Scoring

Junior Rich Miller was Galva's biggest point maker in the 24 games played by the Wildcats during the regular season.

Miller not only led the Cats in total points, but posted the highest shooting percentage among the regulars. Rich hit 169 of 304 field goal attempts and on 98 of 141 free throw opportunities for 436 points — an average of 18.12 per game.

Miller connected on .556 per cent of his field goal attempts and .695 per cent of his charity tosses. Only Kempin posted a higher field goal average. He hit on 10 of 12 shots from the floor for an .833 percentage.

Bryan Humphrey was second in scoring with 292 points. Johnny Lewin posted the top free throw percentage, .771, as he canned 47 of 61 chances.

The Cats rolled up 1629 points in winning 24 games in a row without a defeat.

Humphrey was not only second in scoring but collected the greatest number of assists (165), baskets, 150. John Vaughan was the club's top rebounder with 177 offensive and defensive rebounds. Miller was the top rebounder under the offensive board with 74 while Vaughan provided Galva's strength under the defensive board, grabbing 116 rebounds.

That 24-0 in front of the jubilant Galva High School basketball team is the record compiled during the regular season completed Friday night. It was the first time in history a Wildcat basketball team has gone through an entire season without a loss. Since then the Cats have won their second state tournament game for a 26-0 mark. CHEERLEADERS

Our ten cheerleaders this year were outstanding in their efforts to push our Wildcats on to victory. They not only yelled their hearts out during the games, but they also hung "pep posters" in the halls to keep school spirit high during the week. To the girls who represented Galva so well and did much to make our season a great success--thank you.

We must admit that the record of this year's wrestling team was far from impressive, but since wrestling is still relatively new in our athletic curriculum, we feel the boys did a fine job of representing the "Maize and Blue." Coach James Elwell, although he often had less than a complete team to work with, did an outstanding job in preparing our Wildcats for their matches. If, as they gain experience, Galva's wrestling teams of the future retain the enthusiasm and fine coaching which we had this past year, Galva will be as feared in wrestling as they are in football and basketball.

BASEBALL

Galva was very proud of their baseball team's fine record of five wins and one defeat. Unfortunately, the one loss came at a very inopportune time, but the boys played as well in defeat as they did in victory. We had a fine pitching staff and a strong defense, but we lacked strength in our hitting. We beat both Williamsfield and Knoxville by wide margins, but we won all our other games by only one run. None of these games were particularly troublesome, however, except R. O. V. A. The boys, along with Coach Hauptman, did a fine job this year and are to be commended for their representation of Galva.

Galva's track team exceeded all expectation this year. Several seniors were outstanding and were backed by able underclassmen. Galva had fine mile relay and shuttle hurdle teams which set records on several occasions. One of the greatest Galva Relays in the history of the event was held with seven records being broken. Galva's best performance came in the Blackhawk meet where five records were broken--four by Galva boys. A fine individual performance was turned in by Butch Freed who improved his time consistently all season. Butch ran a two minute flat 880 at the District meet and qualified for state competition. Charles Bailey improved greatly this year gathering many points toward Galva totals in both the high jump and the hurdle events. Galva High School can be proud of the achievements of its track squad this year.

NATIONAL HONOR SOCIETY

The main purpose of the National Honor Soceity is to promote character, scholarship, leadership, and service. The organization is composed of juniors and seniors who maintain a B-average or better.

This year, under the able leadership of president, Paul Appell, and sponsor, Mr. Smith, the members of N. H. S. started the project of an all school honors banquet. This banquet was attended by fifty-one high school members who had maintained a B-average or better for the 1962-63 school year. The main speaker for the evening was Dr. Marinoccio, Superintendent of the Davenport school system.

Another new project undertaken by the N. H. S. during the year was the construction of a new and better scholastic tree for the main hall.

Each six weeks the Society members of the class having the highest total grade average were awarded the National Honor Society arm bands. At the end of the year the juniors honored the seniors, who won the pin contest, with a picnic.

The Student Council undertook a new project this year-- the management of the Foreign Exchange Student Fund. Letters were sent to various civic organizations, and the council donated the proceeds from a fall dance and from the refreshment stand during the Blackhawk track meet.

Because of the accumulation of paper around the school, the council initiated and publicized a litterbug campaign, which produced good results.

The authority of the Student Council was strengthened when the council tightened the regulations about obtaining advance council permission for school parties.

The council wishes to thank Mr. Whitehouse for his excellent leadership.

The Galva Girls' Athletic Association had a very successful year under the able leadership of President Jane Walline and her staff and our sponsor, Mrs. Collis.

Various activities this year included hockey, basketball, bowling, swimming, softball, and playdays at Buda and LaFayette. The hockey season ended with an intra-mural playoff in which Rosie Selkirk's team emerged as the champions. Money-making projects included candy sales at basketball games and the successful sale of Galva Wildcat sweatshirts.

FUTURE TEACHERS OF AMERICA

The Future Teachers of America helped promote National Education Week this year. During this week educational window displays were placed in all downtown store windows by the various classes and school organizations under the supervision of the F.T.A.

Kurt Flueckiger, Galva's foreign exchange student, presented an interesting program on the various levels of education in Switzerland at one of the meetings.

During the spring four girls and the F.T.A. sponsor, Mr. Holman, attended the two day F.T.A. State Convention in Springfield.

The installation of the 1963-64 officers took place at the annual picnic honoring senior F.T.A. members, which was held in Wiley Park.

LIBRARY CLUB MOTTO

A blessed companion is a book,
A book that, fitly chosen,
Is a lifelong friend.
A book that, at a touch,
Pours its heart into our own.

The main purpose of the Galva Library Club is to assist Miss Davis in the operation of the library. Student librarians check books in and out, straighten files, collect fines, and decorate bulletin boards.

The Library Club has encouraged people to read by placing displays downtown and at school for both Children's Book Week and National Library Week. During the past year circulation of the library has been greater than previous years. Funds that will buy new books for the library have been collected through book fines and a silent bake sale. The April meeting was devoted to explaining the activities of the Club to prospective members. Mrs. King gave a talk about her trip to Australia and the Far East at this meeting. The year was closed with the annual picnic. The Library Club wishes to thank Miss Davis for the help she has given them.

FUTURE CRAFTSMEN OF AMERICA

The Future Craftsmen of America has had a very successful year with Allen Freed serving as president. In the fall the boys enjoyed their annual trip to the Museum of Science and Industry and O'Hara Field in Chicago.

During the year the F.C.A. Officers and their sponsors, Mr. Whitehouse and Mr. Holman, attended the regional F.C.A. meetings in Newman and Sterling.

Along with fourteen other schools in the state of Illinois, the Galva F.C.A. was awarded an honorary plaque by the International Association of Machinists.

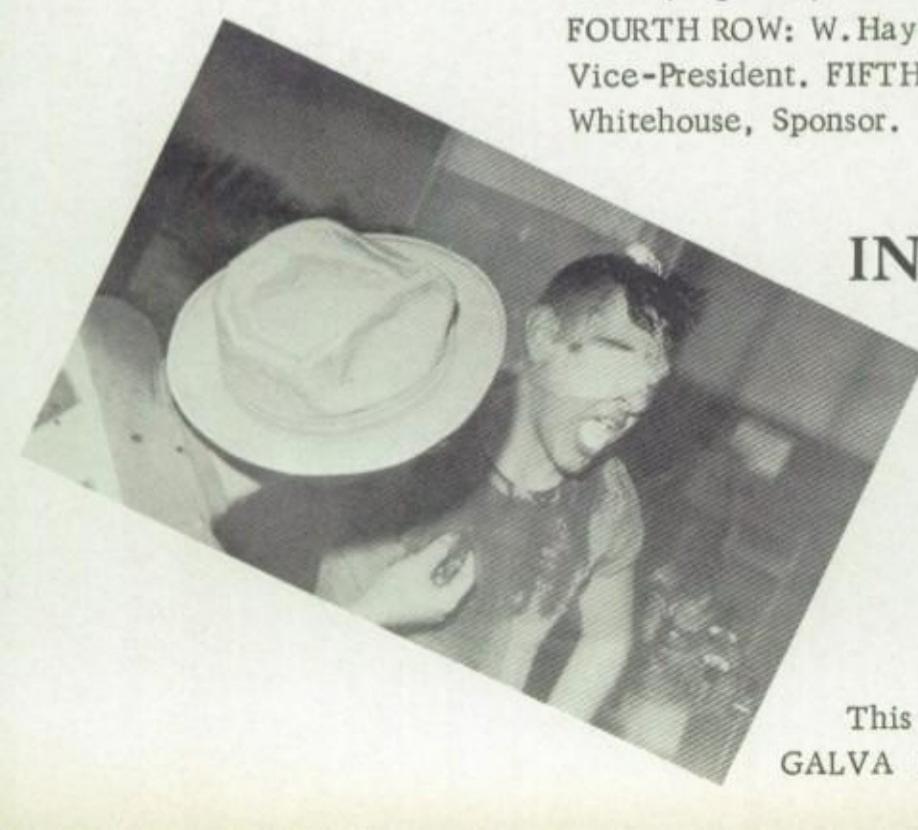

The annual spring banquet honoring senior members and sponsors was the clumination of an eventful year.

FUTURE HOMEMAKERS OF AMERICA

"Holiday Time with F. H. A." proved a good theme for another successful year in F. H. A.

One of the highlights of our meetings was entitled "Excursion to Switzerland" and was presented by Kurt Flueckiger, Galva's foreign exchange student from Switzerland.

The annual winter formal carried out the holiday theme with vibrant shades of red, orange, yellow, and brown.

During February the F. H. A. carried out the successful project of Secret Sisters.

The Mother-Daughter Banquet consisted of a dinner followed by a style show and installation of officers. The banquet served as a grand finale for a very successful year in F. H. A.

INITIATION

The "G" Club this year was a very active organization. They organized many of the Homecoming events. In January, the Club sponsored a basketball game between the Harlem Stars and the Galva All-Stars. In May the boys held their annual initiation for new members. As you can see, the boys had a lot of good, clean fun.

On May 24 and 25 the Club went to Chicago for a pleasure trip. They stayed at the Palmer House, spent an evening at Riverview, and took in a Cubs-Colts ball game. This trip was the highlight of the school year for all "G" Club members.

This year the weather cooperated and the band had a thrilling marching season, which included a spectacular drill using "Lady of Spain." The band gave a memorable performance before a capacity crowd at Homecoming.

In the spring the band went on its first tour, making stops at Onargo, Roberts, and Leroy during the two-day trip. The band greatly enjoyed this experience and hopes the tour will become an annual event.

Another first occurred when the band held its annual concert in May instead of April. The concert, "Galvania T.V", was enjoyed by all. The seniors were honored at the Band Boosters' banquet, where the Galvanaires provided fine entertainment. The season climaxed with the band's annual appearance in the Memorial Day parade.

The band wishes to thank Mr. Smith for making this year a memorable and rewarding one.

C H O R U S

This year the Galva High School had the largest chorus ever, consisting of ninety-two members. Mr. Smith, the chorus director, found conditions extremely crowded in his room with this large number. In the late fall the chorus started work on the music for the Christmas program, at which time they presented "Twas the Night Before Christmas", set to music. In early spring the chorus attended the Blackhawk Vocal Festival in Toulon, where "Home on the Range" was presented as the special number by the boy's ensemble. The chorus thanks Mr. Smith for his help in making this past year a success.

I'M A FAMILY CRISIS

SUMMARY

When teenage chatterbox Peggy Morgan gets tricked into remaining absolutely silent for forty-eight hours, things promptly start happening.

Actually Peggy's silence is a test, imposed by the officers of the "Triple S" to determine Peggy's worthiness for membership in the organization; but her parents are completely unaware of this fact. Naturally Peggy's parents seek medical aid for her.

Gwen Harris, Peggy's rival, decides that this period of silence is a heaven-sent opportunity to snatch Willie, Peggy's boyfriend. Willie is so hurt by Peggy's silence that he is almost captured by the sly efforts of Gwen. But even the forty-eight-hour period ends at last, and Peggy goes into fast action trying to explain her silence. Peggy becomes a member of the "Triple S", wins back Willie, and once again becomes her normal talkative self.

SUMMARY

Here are the sparkling and exuberant escapades of two delightful girls, Cornelia Otis Skinner and Emily Kimbrough, who are determined to prove how "mature and cosmopolitan" they can be on an uproarious and charming trip to Europe. However, their mothers gifted them with safety pockets which seemed to slow down their efforts of being cosmopolitan.

While on the ship they have an exciting adventure with a stowaway, mistake the leader of the ship's band for an admiral, meet two handsome young medical students, and have a bout with the measles.

The girls survive and finally arrive in Paris. There they get involved with a gas meter that explodes and sleep in a bed that was occupied by Cardinal Richelieu and his bedbugs. Although plagued by many misfortunes, Cornelia and Emily have a wonderful time in Paris, and the trip becomes a part of their memories.

JUNIOR-SENIOR PROM

After our Roman Banquet on May 11, our chariots swept us back in time on a "Rome Adventure." Roman slaves greeted us as we came in sight of the Colosseum where we danced to the music of the Western Illinois University Dance Band.

Against the background of towering pillars and marble stairs, slave dancers entertained us with an interpretation of the "Theme from Rome Adventure."

We seniors are grateful to the Juniors for taking us on an adventure we will always remember.

SENIOR TRIP

On May 28 the seniors set their sights for the Mississippi River and the riverboat "The Thunderbird" where we enjoyed our final fling before graduation. After a delicious meal at Bishops Cafeteria, we boarded the boat for an eventful two hour ride. We found much to do as we went through the locks, played cards on the upper deck, and twisted on the lower deck. The misty weather did not bother many as they stood on the upper deck to watch the city lights as the boat was heading back to the dock. The senior boat trip was not only our last class outing, but it was also our best, and it will long be remembered as a highlight of our senior year.

Pure innocence!

Laugh, much?

Complete concentration.

Dance, much?

We know you wanted to go swimming, Sue,
but this is ridiculous.

Did you have a nice swim, Nan?

Troubles, Cindy?

SENIOR PICNIC

Following a week of exams we Seniors boarded two school buses and headed for Lake Calhoun where we enjoyed dancing, boating, ping pong, swimming, and baseball. Later the faculty joined us for a potluck supper, after which we presented gifts of appreciation to our class sponsors. We again boarded the buses and returned to Galva with memories of a damp, but happy, picnic.

Commencement, the culmination of an eventful senior year, began with the anxious waiting in the corridor from seven-thirty until eight o'clock. Each senior was beginning to realize that his high school days were over and he would soon be moving on to face greater challenges, and these thoughts were enough to make everyone a little excited as eight o'clock approached. Precisely on time Linda Meerdink, began to play the processional, and the honor marshalls, Thera Nelson and Gerry Maupin, led the seniors in. Unfortunately, most of graduation soon became only a hazy memory, but the important part--the acceptance of the diploma for which each graduate had worked so hard--will never be forgotten. Suddenly the ceremony was all over and as the graduates lined up in front of the stage, tears came to many eyes; but even though all the seniors were sad to leave behind the building which held so many memories, each was looking forward to more--to the game of life which each would have to play alone.

Recessional "Pomp and Circumstance"	Miss Linda Meerdink

"The Eyes and The Ears of the Wildcat" have seen and heard much during this past year, but now this year, as all good things, must come to an end. It is time for the followers of the Wildcat to look back over the past year and evaluate what they have accomplished and what they have failed to do. In this evaluation each must recognize the bad things as well as the good and from them each must set new goals--goals for which he will work and strive so that he will improve with each succeeding year.

The seniors would like to thank Mr. Young for all his help and understanding, and we would like to wish the underclassmen good luck as they continue their high school careers. But now it is time for the seniors to depart, and so we go, taking with us memories of our high school years which we will always cherish.
